## Easter 2008 update

Welcome to our third newsletter of the season.

Although the end of the 2007/08 season is approaching fast, we are busy planning the end-of-season presentation evening. We also continue to focus on the future of the club and our move into 2008/09; with new teams being established. Some teams seem to be having better results than others in their various leagues but we hope you have enjoyed your football during the winter whichever position you are in. We trust that you will continue to enjoy the latter stages of the season.

Enjoy the Bank Holiday weekend and have a great Easter.

Yours in Sport

Andy, Pete and Mike

## A reminder that the Worthys YFC has banned the wearing of bladed football boots

For those of you new to the club it is important for you to know that the club banned bladed football boots last season.

However, referees within the club have reported that some players are wearing blades during recent matches.

**Therefore, it is timely to remind you all that blades boots MUST NOT be worn by players whilst playing for the Worthys YFC.**

As background, you may like to know that just prior to Christmas 2006 a Worthys YFC player fell foul to a blade injury, although not playing for the Worthies at the time. During the match he sustained a gash to the knee which was above the shin pad. This injury was caused by a bladed football boot during a tackle. The gash to his knee required two operations, one to clean the wound and the other to close it with 10 stitches. As a result he could not play again until February.

**Both as parents and a Club we have a responsibility to the safety of all players. The above injury was enough for us to decide as a club to ban our players from wearing blades with effect from the beginning of the 2007/08 season.**

## Car Insurance

We are very grateful for the number of parents, grandparents, relatives, friends that volunteer to take children to matches and tournaments.

However, we would like to prompt **all** who do help, to check that they are covered by their insurance companies to do so.

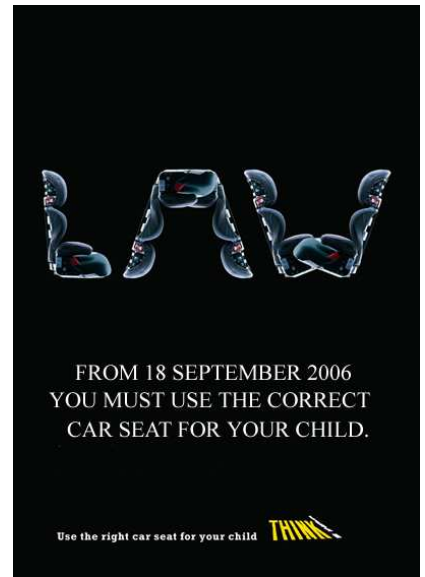

Additionally as a driver, you are responsible for the safety of players during transport and should ensure that the vehicle is roadworthy with a current MOT certificate if appropriate.

## Seatbelts and booster seats legislation

We would also like to remind you that the driver is responsible for complying with the laws in respect of seat belts and child restraints.

The following rules are in force:

- The driver must wear a seatbelt at all times whilst driving.
- A child from its 3<sup>rd</sup> birthday up to 135 cm in height (approximately 4' 5") or their 12<sup>th</sup> birthday, whichever they reach first, should use a correct child restraint, i.e. a booster seat or cushion appropriate for the weight of the child with a seatbelt.
- The only exception is where two occupied child restraints prevent the fitment of a third. In this case a normal seatbelt must be used.
- It is the driver's responsibility to ensure that children are seated and restrained correctly.
- A child over 135 cm in height (approximately 4' 5") or 12 or 13 years old must wear a seat belt and it is the driver's responsibility to ensure that they do so.

We take the safety of our players seriously as you would want us to.

However, parents must accept that by being unable to provide transport themselves they are accepting that those who do are adequately equipped to do so.

## End of Season Presentation Evening

Make a date in your diary for the 2008 End of Season Presentation Evening.

**Date: Friday 16th May 2008**

Venue: **The Stripe**, University of Winchester

This is a ticket-only event, which includes light refreshments and 1 free drink

Price: Tickets are **£3 for Adults** and **£3 for Children**

This year we will be holding a raffle during the evening.

Prizes include:

- Free Weekend hire of a Nissan 'pickup' truck
- Free Family membership at Riverpark Leisure Centre for 1-month
- Four ball competition at Wokefield Park De Veres prestigious golf course near Reading
- Two Places for a week-long Football Training Course at Eastleigh Football Club.

So start saving and look out for the tickets sales in early May.

More information from your team manager in the coming weeks.
